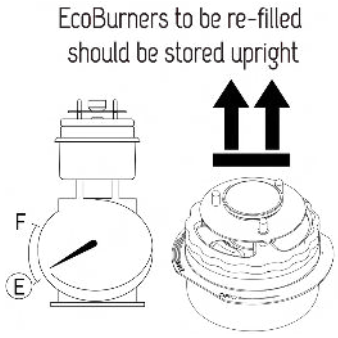
ECOBURNER STORAGE RACK

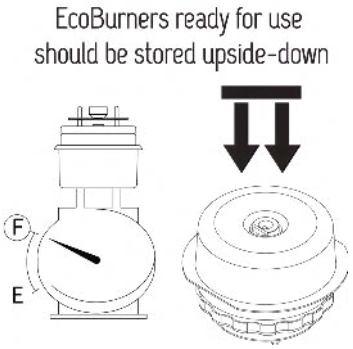
Product Code
#5337 (US: #EB15337)
51 x 25 x 10cm (20"x10"x4")
Holds 8 EcoBurners

EACH STORAGE RACK STORES 8 ECOBURNERS SAFELY & CONVENIENTLY!

- The EcoBurner Storage Rack is used to store EcoBurners before and after service.
- By using the Storage Rack, staff can easily identify which EcoBurners are ready for use and which ones need to be refilled.
- Stackable - Simply stack the racks for large-scale storage of EcoBurners. Ensure all EcoBurners are fully cooled before storing away.



Clear instructions on every Storage Rack



EcoBurners need to be refilled (empty) Stored upright

EcoBurners are ready for use (full) Stored upside-down

An ECOBURNER STORAGE RACK should be purchased with every purchase of 8 EcoBurners to ensure staff consistently store the EcoBurners safely and can clearly recognise when the EcoBurners need to be refilled!
